Dear Don:

On behalf of the Florida Natural Gas Association I want to thank you for speaking at our annual conference that was held at the Belleview Biltmore Resort in Clearwater, Florida. The stories you shared of John Wooden, Michael Jordan, and Dick and Rick Hoyt, as well as the 16 characteristics of greatness, were very inspiring and motivational. I have received many complimentary comments regarding your keynote address and your 15 minutes of fame during our awards ceremony and dinner. I especially appreciate the time you spent with our members, one-on-one, at the reception, awards dinner and casino night, as you exceeded my expectations and for that I thank you sincerely. It was a pleasure to meet and work with you for this event. Good luck in all your endeavors!

Warmest Regards,
